

**Gary Imm Class of 1974**  
**Dentist – Owns All Smiles Dental**

As a cosmetic dentist in Westminster, serving Baltimore and surrounding communities, Dr. Gary R. Imm offers an extensive range of advanced dental services, including cosmetic dentistry, smile makeovers, teeth whitening, porcelain veneers, dental implants, TMJ treatment and sedation dentistry. A truly dedicated cosmetic dentist, Dr. Gary Imm focuses on providing progressive, extraordinary care for his guests, a commitment he upholds by regularly participating in continuing education courses and updating his training in the latest dental techniques. The All Smiles Dental Care team trains at least 300 hours each year at such prestigious post-graduate teaching centers as the Las Vegas Institute of Advanced Dentistry to stay up-to-date on the latest services and technology.

Dr. Gary Imm graduated from the University of Maryland at Baltimore Dental School, earning his doctorate of dental surgery in 1982. He returned to UMAB as an Assistant Clinical Professor, a position he held until 1999. Dr. Gary Imm is not only highly respected as an educator, he is also renowned among his colleagues in the cosmetic and sedation dentistry field. He has been published in many esteemed dental and medical publications over the years and has earned several awards and commendations for his work as a cosmetic dentist serving the Baltimore area from his Westminster practice.
