

**Brad Reter Class of 1979**  
**Owner of Reter's Crab House & Grille**  
**509 Main Street in the Landmark Shopping Center**

Brad opened the restaurant in 1997 with a seating capacity of 40 patrons and a 10 month seasonal operation. As business grew, he expanded the restaurant in 2004 to include a full service bar and seating for 130. Decorated in a beach theme, this casual family restaurant was awarded "Top Crab House" honors by *Baltimore Magazine*.

His summer staffing swells to 65 employees. Many of which are Franklin students and graduates.

The restaurant prides itself as a gathering place for locals, past and present. It's common to have numerous generations of residents enjoying themselves. It could be the Eline's, Caltrider's, Lazzati's, Schuster's or Bertsch's.

**Quote from Brad:**

It's a joy to run a great restaurant in the area; moreover, it's the customers that make the atmosphere fun.
