

Dave Woodworth, Class of 1972  
Owner of Woodworth Guitars

Builder of Custom Guitars & Mandolins. Dave has been designing & building these guitars for several years which take features of several different manufacturers, throws them in the blender and builds an instrument that feels familiar to the player, yet unique. He is currently producing the "SonoBopper Deluxe", a Tele Style Chambered Guitar; "The Mutt"- a Carved Top Guitar, plus the J'DEM Electric Mandolin. There will be other models as he conceives them.

Currently plays in 2 musical endeavors/groups:

- The Fabtastic 4 with Jimmy Brown, Dennis Schocket & Tom Smith. Pure Beatles without the wigs.

A splendid time is guaranteed...AND

- The Mono-Jets with Dennis Schocket, Greg Schroeder & Lee Townsend- An eclectic mix of songs ranging from Elvis to Elvis-Anything goes.

**Quote from Dave**

” What guitar have you Day-Dreamed about lately?”
